WINE
ENTHUSIAST

MARCH 2018

Pedroncelli's historic Zinfandel vineyards are located on the hillsides surrounding the winery, on the ranch originally purchased by John Pedroncelli Sr. in 1927 and planted to Zinfandel since 1904. These vines are head-pruned and hand-picked, grapes coming from the second generation vineyard cloned from the original "Mother" vines which were replanted in the early 1980s along with a very small portion of 100+ year old vines. A touch of Petite Sirah adds structure to this classic Dry Creek Valley Zin.
