## WISDOM

### 2021 CABERNET SAUVIGNON

Dry Creek Valley, Sonoma County

#### THE BACKGROUND

The land was purchased by Jim and John Pedroncelli in 1965 and is located on the west side of the Dry Creek Valley. Planted to Cabernet Sauvignon the same year, Pedroncelli Winery was the first to establish this variety here. The vineyard was replanted in 2002 with Clone 4, also known as the Mendoza Clone. It produces smaller more compact bunches and brings deeper color and concentration as a result. We now have nearly 60 years of growing Cabernet in this soil and singular microclimate bringing unparalleled Wisdom.

#### THE VINTAGE

The vintage of 2021 was influenced by low amounts of rain and was followed by a warm summer which sped up maturity as well as concentrated flavors and color. The grapes were harvested on September 17th and as a result, the wine shows a rich concentrated with intense varietal flavors and mild acids.

#### WINEMAKER TASTING NOTES

Deep red-purple in the glass, this is a rich and full-bodied Cabernet Sauvignon with aromas of blueberry, warm baking spices and toast. The flavors of blueberry follow with plum, mocha and touches of toasted oak notes. Framed by ripe tannins and woven throughout with medium acidity and long, silky tannins. With reserve-style complexity and depth along with an additional year of bottle aging, this is a wine to enjoy now or age for another 5 or more years.

---

COMPOSITION	87% Cabernet Sauvignon, 13% Malbec
ESTATE VINEYARD SOURCE	Wisdom Vineyard, Estate
LOCATION	Western Bench, Dry Creek Valley
