WISDOM 2021 CABERNET SAUVIGNON

Dry Creek Valley, Sonoma County

Wisdom and winegrowing. It comes with the years of planting, tending, and ultimately learning the best site for a particular grape. In this instance it is the king of red wine grapes, Cabernet Sauvignon, which has been planted on this site for 60 years. 60 years. The land was purchased by Jim and John Pedroncelli in 1965 and is located on the west side of Dry Creek Valley. The vineyard was replanted in 2002 with Clone 4, also known as the Mendoza Clone. It produces smaller more compact bunches and brings deeper color and concentration as a result. Winemaker Montse Reece brings the next level of quality by long aging in French oak and, once bottled, holds it for a year before release. The knowledge of a place and consistency brings unparalleled quality and, of course, Wisdom.
